MOTION FOR SUMMARY JUDGMENT

Defendant, the United States Food and Drug Administration (“FDA”), respectfully moves for summary judgment pursuant to Rule 56 of the Federal Rules of Civil Procedure. As detailed in the accompanying memorandum of points and authorities, supporting declarations, and statement of material facts, FDA has satisfied all of its obligations with respect to Plaintiff’s Freedom of Information Act (“FOIA”) request. Plaintiff does not challenge the scope or adequacy of FDA’s search for responsive records and FDA properly redacted the responsive records pursuant to Exemptions 3 and 4 of the FOIA. There are no material facts in dispute. Thus, summary judgment should be awarded in FDA’s favor.

Respectfully submitted,
